

Making Appointments with a Scheduling Ticket

If your doctor orders a visit/test for you (like a mammogram), they can provide you with a scheduling ticket in MyChart to make it easier to schedule the right appointment. Follow the instructions below to access the scheduling ticket and schedule your appointment.

1. Log into your Montefiore MyChart account. Schedule appointments by clicking on the “Visits” activity at the top of the screen OR in the Menu under “My Record” as highlighted.

2. Click on “Schedule an Appointment”

3. Any scheduling tickets you have will appear at the top of the screen under “Appointments you need to schedule”. Click on “Schedule Now”

A couple of questions

* Screening mammography is performed on women who have no signs, symptoms, or new abnormalities related to the breasts. The aim is to detect cancer at an early stage, before clinical signs are evident, because detection at an earlier stage improves prognosis. Does this apply to you?
